**A Message from the Grand Knight**

The Grand Knight's Christmas party was a huge success. Those who attended thoroughly enjoyed themselves. Our special guests were Bishop Eusebio, our Chaplain Father Konen and his night driver Father Cleary and Father Magnano. Some very special thank you's are in order—to Alan and Mona Bonaci for stepping up and chairing this event once again, a big thank you. To Don Luby for continuing to fulfill the duty as our MC and doing a great job, thank you. In fact, Don stepped up his game this year and hired a writer, way to go. To the Holy Names Choir for doing a wonderful job entertaining us. Classic Catering did a splendid job on the meal. To DGK Joe Kessler and his crew of Phil Anesini & Eric Kessler for manning the bar. Last but definitely not least to Penny for decorating the hall and lobby, mailing invitations, setting the tables and all the behind the scene things nobody sees, a very big thank you.

Wishing you all a very happy and healthy 2015.

Fraternally yours,  
GK Larry Kessler

I see that a few celebrities and athletes are wearing t-shirts "I CAN'T BREATHE" after an officer in New York put a choke hold on a black man who they were trying to restrain. He died as a result and later a grand jury did not indict the policeman and all hell broke loose. You all remember Ferguson, MO and a similar grand jury result, no indictment on a policeman killing an unarmed black teenager. Friends of life, does anyone wear t-shirts "I CAN'T BREATHE" for the more than 1,200 African American babies that die every DAY in Margaret Sanger's Planned Parenthoods in our neighborhoods. Did you know that 60% of all black babies in New York are aborted, and I never see all hell breaking loose! Mother Teresa, a long time ago said "If mothers kill their babies in the womb, how can we expect our society to respect any human being", and that is what we are experiencing in the culture of death today, hopefully you will continue to keep the victims, all victims in your daily prayers.

Pete Fewing, head coach for Seattle University Men's Soccer will be our special guest at the January Fraternal Night. Pete is looking forward to joining us again this year and he is planning on having several of his players along as well.

Seattle University Athletic Program is offering the Knights free Men's basketball tickets to games held at the Arena. Call Paul Heneghan for available dates (you can get his number from the office 206 325-3410).

**Congratulations to Council 676. Due to the generosity of our membership, the State Council has given us the 365 Club Award. The award is given to councils who collect what averages out as \$3.65 per day per member for Pennies For Heaven. PGK Tom Joyce accepted the award for our council.**
