**Prolife Corner** Matt Ulrich

Call for an ambulance! During vigils for 40daysforlife there have been at least 4 cities that volunteers have reported Planned Parenthood’s call for emergency help for women that have been maimed during their safe legal abortion methods performed in their filthy abortion mills. I can personally attest to no one coming out deserving a celebration. Women coming out in pain, weeping, and hysterical is the norm. Houston, New York, Phoenix, and Chicago have been reported just recently, and yes we have witnessed women being carried out on a stretcher in Everett and Seattle. How long will this barbaric abortion procedure continue, yet we have in our midst catholic leaders who have never spoken a word about abortion, or Planned Parenthood, and certainly not about birth control. When will it change, the truth about abortion, only when church decides to end abortion. Thanks! Matt @ (206) 546-3923

**Growth is our duty**

I am a dedicated Knight, as are all of you who read this column. As the insurance agent for your council, my role as a Knight is somewhat different than yours. My goal is to meet with each of my assigned members at least once a year to make sure their insurance needs are covered. In addition to this, I have a number of smaller goals that help me accomplish my main one. Among these is the need to recruit new members.

I want to help this council achieve the coveted Star Council Award. I want all the eligible Catholic males in the area to become Knights so they and their families can be part of this great Order. To that end, I am here to help this council with its recruiting efforts.

Remember, most men who could join but haven’t yet are merely waiting to be asked. They likely do not know about the many good deeds done by the Order and its members on an annual basis. It is our job to ask them and tell them that with minimal commitment, they too could be Knights.

I make my living and support my family by talking about the Order and the benefits of membership. I would be more than happy to speak with any potential candidates, especially those who may be right under your nose. Is your father, brother, cousin or neighbor a member? How about the man sitting in the next pew at Mass? Strike up a conversation and see where it goes.

To fulfill Father McGivney’s vision is our goal. Growing the Order and educating all members about the benefits of being an insured member is the way to do it.
