A MESSAGE FROM THE GRAND KNIGHT

We had another great Octoberfest dinner on the 17th with a great turnout of friends and family. I would like to thank the entire Kessler family for working long hours to prepare a great meal of traditional German food. And thanks also to all of the folks who attended, it is only your participation that makes these such great events.

I hope to see you all for the annual Memorial Mass on November 7th. Please keep all of our sick members and departed brothers in your prayers.

Take care and we look forward to seeing you at our upcoming functions.

Fraternally yours,

Joseph Kessler

The year of Mercy ends in November but for all of us practicing the works of Mercy in our lives it is on going or can be. Being Prolife and practicing the Spiritual Works of Mercy go hand in hand, let me show you. Instructing the unformed is so important and counseling the doubtful are life saving works of Mercy. Do you realize how many Catholics don't have a clue what Planned Parenthood is doing to our youth and future moms and dads. When something is wrong, we are called to make it right and if we can't do it ourselves, we call on our fellow Catholic brothers and sisters to help persuade. We are always mindful to be patient with those in error, hopeful that through prayer they will change their heart. And lastly, always be forgiving. We must continue to pray and educate, because abortion continues to raise havoc and ruin lives in our community, and that's a wrong that needs to be righted.

Long-Term Care Plans Offer Peace of Mind

Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Knights of Columbus with an excellent opportunity to further serve members and their families. And, for our long-term care policy holders in the United States, there's an added bonus.

It's called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network includes discounts on products, such as hearing aids, diabetic supplies, personal emergency response systems, and durable medical equipment, as well as skilled nursing facilities, assisted living, and adult day care.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you haven't yet spoken with me about long-term care insurance, you owe it to yourself to do so. There are a few decisions to make in choosing a "plan" — a comprehensive plan that covers care whether you're at home or in a facility, or one that covers facility only; daily benefit amounts and benefit durations (how much and how long it will last); and the length of the elimination period (waiting period) before benefits kick-in.

Having a professionally trained agent — and a brother Knight you can trust — to help guide you through the process is yet another valuable benefit that comes with your membership. Take advantage of it; contact me today.
