A MESSAGE FROM THE GRAND KNIGHT

As many of you know, we recently lost two of our long time Brother Knights, Vic Grieco and Pat D'Ambrosio. Both of these men exemplify what being a Knight is all about. They both gave freely of their time and talents to make a difference in the lives of their families, friends and communities. Please keep them and all of our departed brothers in your prayers.

We have a number of events coming up and we hope you will be able to join us as we celebrate our traditional Oktoberfest on Monday, October 17th. It is a special treat and a time to celebrate and see many of the brothers and sisters you have not seen in a while. Also, we will be having our annual Memorial Mass on Monday, November 7th honoring all of departed brothers.

Take care and we look forward to seeing you at our upcoming functions.

Fraternally yours,

Joseph Kessler

There was a good turnout for the National Day of Remembrance at Calvary cemetery for the 55 million babies who have been aborted since 1973. Saint Mother Teresa said it all many years ago at a prayer breakfast in Washington D.C. “ the greatest destroyer of peace in our world is abortion” and then she finished her talk by saying this, “ if we can let a mother kill her own child in the womb, how can we stop others from killing each other”. We certainly see how her words have come true, but the sad thing is nobody cares enough to change the killing of these precious infants and the Culture of Death is prevalent everywhere. Pray, Pray, Pray for peace in the world and peace in the womb!

LTC Is An Important Piece Of The Puzzle

There are many financial consultants and retirement authorities who emphasize the need for long-term care product for estate preservation and family protection. While many commercial life insurance companies have gotten out of the long-term care business, the Knights of Columbus considers LTC a very important piece of the family protection puzzle.

The order has been actively offering our members this product for nearly 15 years without a premium increase on current policyholders. Members who wisely purchased an LTC plan from the Knights in 2000 are still paying the same premiums today. Even better, our LTC coverage is backed by the full strength of the Order, which remains rooted in our strong Catholic values. Talk about stability when it counts.

Remember, long-term cared polices are underwritten based on your health, and you most likely will never be any healthier than you are today.
