A Message from the Grand Knight

Council 676 has several activities for everyone to get involved in this Fall.

We will start with the collection of non-perishable foods to be given to parishes for distribution for those who are in most need. Collection will be done at any event to be held at the Club building.

We now have access to wheelchairs, walkers & canes for those members and any parish members who are in need of aids to getting around. This may be something available here at the clubhouse and/or available through our insurance agent Larry Devlin.

Coats for Kids has started again under the auspices of the Financial Secretary. Volunteers would be appreciated.

On November 6th we will be having the annual Memorial Mass for deceased members over the past year along with any spouse who have died. This is the first Monday of the month, and it would very appreciated for a large attendance to support the families.

Fraternally,

Tom Joyce GK

Good story about a former abortionist, Carol Everett, who was in Seattle to speak at a conference. Carol was asked what turned her heart from death to LIFE in Christ. She said it was unconditional love, shown by a man who prayed daily for her in front of the abortion clinic where she worked. He told Carol that “God had sent him” because there was someone in there God wanted out. She left 27 days later and now serves as God’s ambassador to help others. We too have been sent by Christ as ambassadors to love unconditionally those God seeks to get out of their bondage and sin, so we begin our prayer vigils for Forty Days for LIFE on Wednesday, September 27th in Everett. 375 cities are having their vigils start on that day also to pray for those we can help!

Let me know if you want to join us for Forty Days For Life on September 27th.

Think You Are Too Old for Coverage? Maybe Not

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be inexpensive when compared to purchasing the same policies when you are older.

If you’ve put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80, and in 2014, the issue age of our term insurance was extended to age 70. Naturally, your health, whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extensions are a great blessing for me—and it could be for you too. Now I can help members that I couldn’t help before. Are you or one of your brother knights one of those members?

I look forward to meeting with each of you to discuss your family’s needs.

Larry Devlin - Field Agent
