IMPORTANT MESSAGE FROM THE GRAND KNIGHT

Brother Knights,

We have some major restructuring of how and where the council may be located in the future. The function and location for this council needs to be a discussed at the next Council Meeting held on February 12th. This will be the initial time for bringing ideas of what, where, why, and when action will be taken.

On another note, the Board of Directors of the Club, who operates the building, has determined that it may be best to sell the building (This is at the time of this writing). The full Board will convene on Monday February 5th to discuss and to vote on this topic. Please be advised that we are not getting any inquiries for renting the third floor, which was a major income for the upkeep and maintenance of this facility.

I do request that all members that want to have input, please come to the council meeting, or contact one of the Board members.

There has been discussion of a council being formed at Seattle University and it will need to have a mentor for that program. If interested, please contact our Insurance Rep. Larry Devlin.

Faithfully,

Tom Joyce
Grand Knight
