Sir Knights,

As we approach the end of our fraternal year, we have several projects on the horizon. We would love to have some new blood come and assist with these projects.

First, we have been asked to participate in Memorial Day activities at Calvary Cemetery. This will involve spending a few hours on Memorial Day handing out hot dogs to those visiting the cemetery.

Secondly, we have our annual picnic at the Ryther Center on the 4th of July. We prepare hot dogs and hamburgers for the residents and staff at Ryther and we put on a FLAG ceremony for them all.

Also on July 4th, we have been asked to participate in the early afternoon at the Special Olympics National Games being held at Husky stadium. Again, our involvement will be handing out hot dogs. This will be a fun way to be involved in what should be the largest sporting event in Seattle in 2018.

We are promoting the idea of enlisting several new members to our ranks in June. There is a 4th Degree Exemplification at St. Stephen's in Renton. Let us know of any potential candidates.

Lastly, we have initiated a Chalice Program in our assembly. We have two deceased members who qualify. We are ordering chalices to be presented to their widows, who will then give their chalice to a priest who will remember that deceased member each time the chalice is used. We need funds to support this program, so donations are encouraged.

In Christ,

Don Luby  
Faithful Navigator
