My fellow Knights;

At the beginning of each year, we request your assistance in completing an Annual Survey of Fraternal Activity. The results obtained from your completed Individual Member Worksheet are tallied along with the results provided by other members and submitted to the Supreme Council at the end of each January. This process, at both the Assembly and Council levels, forms the fraternal activity statistics we read in the Columbia Magazine each year. Besides being a point of pride for our order, these statistics help us to maintain the status of the Knights of Columbus as a not-for-profit organization.

I want to share with you just a few of these fraternal activity statistics for the James Shields Assembly for 2014. I think you'll be impressed.
